POSITIVE PROFIT ALERT

This announcement is made by AUX International Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 March 2026 (the “**Management Accounts**”), the Board expects that the Group will record a consolidated profit for the year ended 31 March 2026 of not less than approximately HK\$35.0 million, representing an increase of not less than 30% as compared with the consolidated profit from continuing operations of HK\$26.5 million for the year ended 31 March 2025.

Based on the information currently available to the Board, the above expected increase in the consolidated profit for the year ended 31 March 2026 was mainly attributable to the net result of the following factors:

- (1) net decrease in staff costs and security costs as the Group continued to benefit from the optimization of its human resources structure by subcontracting out its security function initiated in the previous year;
- (2) decrease in utilities expenses, which was mainly driven by the operational efficiency enhancement measures implemented by property management services;
- (3) decrease in finance costs primarily due to the repayment of interest-bearing loans from shareholders; and

- (4) increase in reportable segment profit from property management related value added services primarily due to the reduction in the Group's involvement in the retailing of low-margin home living products.

The Company is still in the process of preparing the annual results of the Group for the year ended 31 March 2026. The information as set out above is only based on the preliminary assessment by the Board of the information currently available to it, including the Management Accounts, which have yet to be confirmed, audited or reviewed by the auditors of the Company and may be subject to change(s) or adjustment(s). The audited consolidated annual results of the Group for the year ended 31 March 2026 are expected to be announced by the Company before the end of June 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
